TIME

Two golden hours
lost
somewhere between sunrise
and sunset,
each studded with
60 diamond minutes—
But there is no reward
offered,
for they
are lost forever.

Horace Mann

With the world in the process of radical change, where religion and state are turning new pages to discover a changing people, and youth is so engaged in the world it will some day own, it is gratifying to know that there are still people dedicated to the reality of education. The class of "68" is proud to pay tribute to such a person. This woman has given more of herself, for the sake of others, than could ever be repaid. We often need to be pulled from our shells into reality to have the truth given to us ungarnished. She treats her students as students, not as children that must be led by the hand. She expects her students to uphold their responsibilities, and to do their best, pointing out the consequences of laziness and the importance of doing correctly what is expected of us. Her love of teaching and of her students, combined with her endless efforts of patience, earn her the respect she deserves. With pride and heartfelt thanks we dedicate this issue of **Memini** to Phyllis Goodrich.

In time take time
while time doth last,
for time
is no time when time
is past . . .

As we embark on
a journey of time,
memories begin to evolve . . .

A familiar time has come.

School spirit Comp will never forget.

The team that made school spirit happen.

Students delve into a world of books and facts.

Students begin to understand the importance of the paper.

. . . of friends and faces

Two faces of different worlds.

Students unwind, as lunch begins.

Two super Colts gladly agree.

A friendly Face in a sea of noise.

". . . And what would you like for Christmas, Mr. Spano."

Caught!!

. . . of school life

Who could ever forget gym class?

The sound of typewriters fill the hall.

Study hall was always a life saver.

Conversation goes along with every lunch.

A very popular teacher.

Comp rooters anxiously look on.

Studies went farther than texts.

Crowded stairwells were an everyday nuisance.

The Colts are triumphant again!!

The Big Three predicts victory.

Mr. White tries on his official football shoes.

Proud Comp students rise to sing the school song.

. . . of a memorable football weekend

Cheerleaders jump with joy for the Colts.

A friendly rivalry.

The Colt stomps the spider.

The queen and her court: Pamela Demers, Debbie Hayes, Penny Banker, Arlene Paluch, Debbie Willemain.

Cheerleader competition??

Football players and their gals?

Lucky Mr. White dances with the queen.

NO, YOU COULDN'T corral the Colts.

Anxiety is radiated from the Comp rooters.

. . . of a delightful cotillion

To the tinkling of silver bells, Chairman Bill Riberdy arrives with his date.

Soft Lights, romantic music, and good food.

Charming music filled the air as couples danced through the night.

Good company complemented an ideal evening.

. . . of Christmas cheer

Santa Claus lends a hand leading the band.

A song is a tool of happiness.

Santa's helpers prepare their sleigh of happiness.

A mountain of goodwill.

Lenore Berneche presents a generous check to Capt. Haggerty to assure many of a joyous Christmas.

"Well, what do I do now?"

Not again!

A night full of surprises.

. . . of donkey basketball

"You're not half as tired as I am!"

If at first you don't succeed . . .

. . . a hilarious Arsenic And Old Lace

The final curtain call.

"Groovy" Russ Nubile certainly looks the part.

Profiles in courage.

"Now Aunt Abby . . ."

"What did you say . . .?"

Friends and good times.

A world of her own.

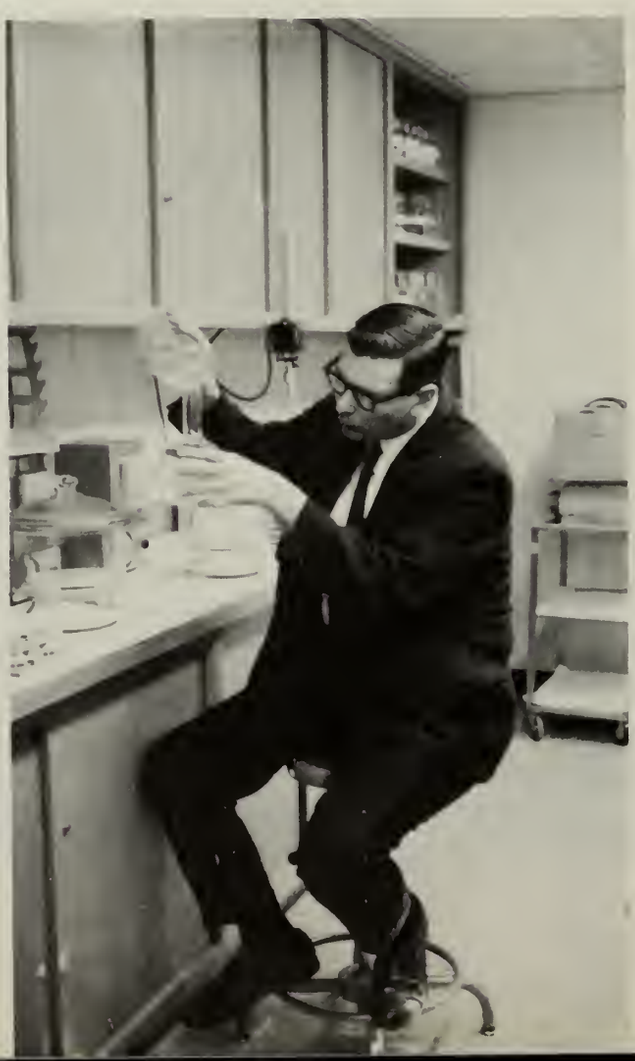

. . . of a day gone by

The teacher is like a
candle
which lights others
in consuming itself

IN MEMORY

In August, 1967, Chicopee Comprehensive was saddened by the sudden passing of Mr. Edward Ciosek, head of the English Department.

Beginning his teaching career at Kirby School in 1952, the following year he became a member of the English Department of Chicopee High School. When Comprehensive High School opened in 1962, he was named head of the English Department.

Besides being a devoted teacher, deeply interested in his students, he was active in church and community affairs. He was a member of the Holy Name Society of St. Stanislaus Church, Chicopee Center American Legion Post 452, Chicopee Lodge of Elks, Tiger Athletic Club, and the Chicopee and the Massachusetts Teachers Associations. For the past three years he had the honor of serving as Mass commentator at St. Stanislaus Church.

The community and our school miss this outstanding man and educator.

TO THE CLASS OF 1968:

With this nation's population of over two hundred million, and one-half of this number under twenty-seven years of age, it becomes increasingly clear that youth is "king."

As High School graduates, you have demonstrated success in the competency of the necessary skills in which to become a productive member of our society. The challenge before you is greater than any class before you has ever faced. Many of you will seek further education through formal schooling. However, all of you must continue your education through self-improvement toward preparing yourselves in making a contribution to our American way of life.

Permit me to extend my sincere best wishes for health, happiness, and success in all your future endeavors.

Sincerely,

George E. Membrino

George E. Membrino, Ph.D.
Superintendent of Schools

To the Class of 1968:

As you leave Comprehensive High School imparted by your classroom teachers with gifts of intellectual curiosity, a desire for continuous growth, an understanding of people, an inquiring mind, high standards, and a sense of humor, please remember so much needs to be done.

Our society has grown rapidly and is growing daily and requires wisdom and a great sense of responsibility to meet its challenges. It needs broadly educated members who have the intellectual ability and moral conviction to make the kind of decisions that will set worthwhile goals and give the leadership to reach them.

This challenge to learn and to participate is being offered to every member in our society. Begin now. Press forward with renewed enthusiasm and inspiration.

"Our yesterdays have made us what we are, but we make all our tomorrows."

May God bless you in all your endeavors.

Sincerely,

Sophie J. Chmura

Assistant Superintendent

I would like to extend my personal congratulations to the class of 1968 on the eve of their greatest adventure. The past twelve years are merely a foundation for the education you will experience for the rest of your lives.

Coordinator of Secondary Schools

As the Class of '68 career at Chicopee Comprehensive High School comes to an end, all of you can look back with the knowledge that you have contributed mightily to the growing history of your school.

The lives of each of you will now mirror the ability of your education to fulfill the goals that you set for yourself. It is hoped that the school has served toward this end.

We your advisors, do not only wish you joy and happiness upon graduation but hope that your increasing awareness of life has expanded so that each of you will have strength in your moments of sorrow, courage in time of poor health, and honor and valor in time of individual and national crises.

We, your class advisors, want for each of you to have insight into life and its responsibilities. You all should strive to improve the quality of your life and that of your nation.

To the Class of 1968

Keep in mind at all times the basic ideals that we have attempted to instill in each and every one of you. These are honesty, hard work, acceptance of responsibility and respect for God, Country,and fellow man. If you live by these ideals you will certainly be a success in the true sense of the word.

CLASS FLOWER—DAISY

MOST TYPICAL C.C.H.S.ERS

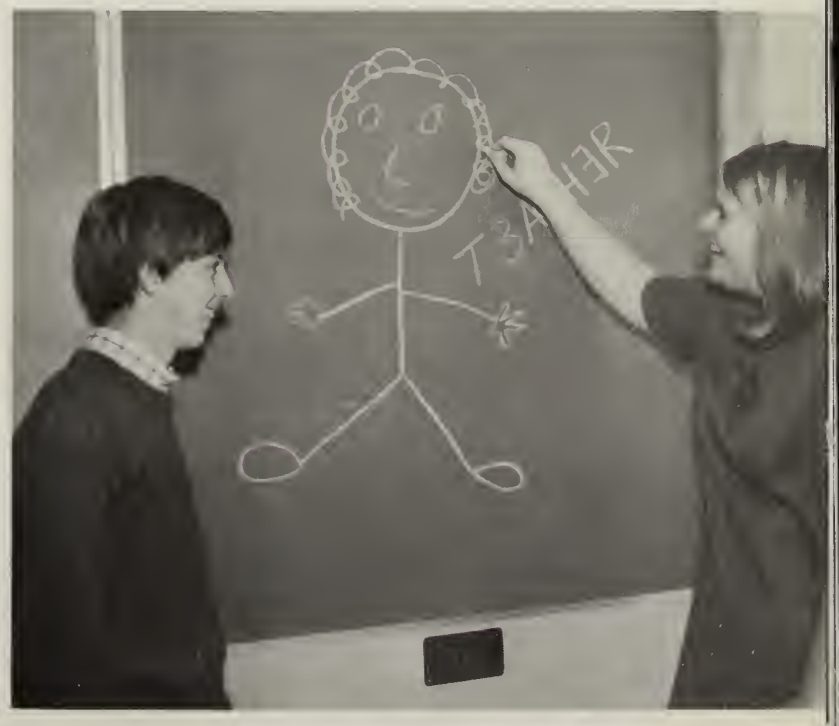

Each Senior, because of his enthusiastic school spirit, fits into this category.

THE IMPOSSIBLE DREAM

To dream the impossible dream, to
fight the unbeatable foe,
To bear with unbearable sorrow, to
run where the brave dare not go.
To right the unrightable wrong, to
love pure and chaste from afar,
To try when your arms are too weary, to
reach the unreachable star!
This is my quest, to follow that star,
No matter, how hopeless,
No matter how far;
To fight for the right,
without question or pause
To be willing to march
into hell for a heavenly cause!
And I know, if I'll only be true
To this glorious quest,
That my heart will lie peaceful and calm,
When I'm laid to my rest.
And the world will be better for this;
That one man, scorned and covered with scars,
Still strove with his last ounce of courage,
to reach the unreachable stars.

It has been said that a yearbook is planned for the future rather than the present. **Memini '68** has been a genuine attempt to capture not only the life and spirit at Comp., but also the memories of a time we shall never forget. Twenty years from now, **Memini '68** will re-live years which will always have their own special place in your hearts. To all those who have helped in this very important task, we extend our hearty thanks.

STUDENT GOVERNMENT

Composed of five elected representatives and one alternate from each class, the Student Council is not only the "student government", but also the chief activity co-ordinator in the school.

In September, the council established something new, the appointment of three standing committees, Publicity, Election, AND the Constitution. Each committee was responsible for everything in the school that was involved with the committee. New plans were drawn up with Holy Name and Chicopee High to create a "Drop-In" youth activity center. Besides the annual "Get Acquainted Dance", the can food drive, The Heart Fund, and the March of Dimes, the Council also diligently worked a SAVE THE CHILD program. By giving One hundred & 25 dollars a year, the council could feed and clothe a needy child in a far away land. Thoughts were also given to help the Peace Corps build a school in either South America or Africa by giving $1,000. At the end of the year, the Council climaxed its year by giving scholarships to seniors who deserved and needed them.

The "G" Clefs is an all girl choir whose members are chosen on the basis of auditions. It performs at the Christmas assembly, Easter Assembly, and Graduation. It is also called upon to provide entertainment for P.T.A. functions, Womens' Clubs, and Church Guilds. Each year they are asked to sing for the Chicopee Lodge of Elks Memorial Service and also at the City Officials Inauguration when they occur.

The "F" Clefs was intended to be a Male version of the "G" Clefs but has not seemed to arouse the interest of enough of the boys in the school. We hope to improve their status in the next few Years.

Both these groups are worthy of every praise that can be given for their conscientious efforts to bring Comp. nothing but the highest praise.

The Comprehensive High School Bands are probably the single most important Public Relations groups of the school.

The Marching Band provides Half-Time entertainment at all the Football games, participates in the Veterans' Day, Memorial Day, and St. Patrick's Day Parades.

The Concert Band performs for the Christmas Assembly and Graduation. It also takes part in the Western Mass. Music Festival at which its performance is judged and graded.

This year, our Concert Band, together with the Chicopee High School Band performed at the Inauguration of our City officials for which the group received commendations from the School Committee and the Mayor.

The student body of Comp. can be very proud of their Bands.

The 1967 Chicopee Comprehensive High School Football team honored our school with the greatest record in football history ever attained at Comp. Even though the Colts lost their first two games, they showed us that they had the desire to be winners. With a 6–3 over all record and a 6–2 record in the AA Conference League, the Colts finished a proud second in the League. The Colts show desire in all their games and never did one team have the upper hand over the Colts. The Colts were led by Co-Captains Bob Bialas and Bob Parent. The accurate passing by quarterback Fran Brunelle and the nimble hands of end, Bill LaBrecque often sparked the Colts to victories. Seniors leaving are: Terry Williams, Roy Moore, Paul Barabini, Bob Parent, Bob Bialas, Fran Brunelle, Roger Parent, John Suprenant, Jim Davitt, Bill Carlos, Jim Doody, Tim Shugrue, Tom Begley, Dave Robinson, Dave Kaaihue, Bill LaBrecque, and Terry Minor. BASKETBALL

The 1967-68 Chicopee Comprehensive Basketball produced its finest season since 1964. Hampered by many close heart-breaking losses in beginning of the year, the Colts fought their way back to a fine fourth place in the Valley League. The Colts should be considered as the most improved team in Western Massachusetts. The hoopsters surprised many of their fans by defeating top placed Chicopee and Northampton, followed by a six game winning streak to end the season. Leading the attack for the Colts was Captain Rich Hundley who broke the career record for Comp with over 800 points. He also set the individual record in one game with 34 points. The Colts also received a great effort from the two giants, Steve Jasinski and George Warner, who were an important asset in obtaining the needed rebounds to keep the Colts alive and fighting. Most important was the great ball control and dribbling contributed by John Suprenant and Roger Parent. Seniors who will graduate are Rich Hundley, John Suprenant, Roger Parent, Bill Lebreque, Chet Gdula, Bob Parent, Bob Bialas, and Don Armitage.

Three starters, George Warner, Dave Roy, and Steve Jassinski, will return next year along with the fine shooting of Joe Klofas. The J.V. squad, coached by Mr. Davis, produced a proud record of 15-4, which will contribute greatly to next year's varsity team.

SWIMMING

The 1967-68 Chicopee Comprehensive swim team, despite a 7-6 record, produced a very successful season. Commanded by Co-Captain Mike "Flipper" Dubilo and Tom Zawisa, and under the direction of the new coach, Jim Kijak, the mermen accounted for many surprising victories. Even though they were hindered by much illness, the Colts corralled an impressing victory over rival Chicopee. Juniors Steve Bruny and Bill Nugent proved to be the key factors in this meet.

Even though coach Kijak credits his victories to the whole team, outstanding for Comp were: Ed Klofas, Steve Bruny, Mike Dubilo, Tom Zawisa, Bill Nugent, John Moyniham, James Sears, and Bob Bogdonovich.

Seniors who will graduate are: Tom Zawisa, George Voit, Jay Stryker, and Mike Dubilo, who hopes to further his swimming efforts at Springfield College. With the loss of only four men, Coach Kijak has hopes for a brighter future, especially since Bill Nugent placed third in the State Championship.

Captain John Taylor

HOCKEY

With the skill and experience of a veteran team, the 1967–68 Chicopee Comprehensive hockey team had its most successful season since 1964. Paced by the scoring power of tri-captain John Taylor, Ed Viens and Bill Chaffee, and defensemen John Gula and Ted Pietras, the Colts produced a proud 11–4–1 record. This gave Comp second place in the Fay Division behind powerful Agawam. The most important asset to the Colts was goalie Jim Doody, who had a goals against average of 2.04 goals, and six games in which only six goals were scored.

Other players who sparked the team were Ron Netwig (who led the team with 25 points), Jean Guy Aubbe, a freshman, and Tom Skinner. Coach McClellon, affectionately known as the "devil", has hopes of a bright future with many returning players.

Seniors graduating are: Tri-captains, John Taylor, Ted Pietras, and John Gula, Jim Doody, John Matroni, Jim Pasterzyck Ed Viens, and Bill Chaffee.

MEMORIES OF OUR FOUR YEARS
Freshman Year (1964–1965)

Well, there it stood before us, a giant of a high school. This was Chicopee Comprehensive and believe me—no matter how large it looked from the outside, it appeared twice as large from within. To us, the class of '68, Comp's maze of corridors provided our first challenge as we all wondered what the coming year would bring.

The coming year brought challenges, more challenges, and more . . . There was freshman initiation, and all those books; there was algebra and physical science; there was Warriner's grammar and then Mr. Shakespeare and mid-years and finally finals. Civics was part of the course and as a result we started reading the front page of the newspaper.

In Ocober, headlines announced the deposition of Nikita Khruschev and the explosion of China's first atomic bomb. As we read on, we came to mourn the deaths of former president Herbert Hoover and former British Prime Minister, Sir Winston Churchill. On the lighter side, history was made when a Russian cosmonaut took the first walk in space. The Russian "first" was soon followed by a 20-minute walk in space by American astronaut, Edward H. White.

Outer space, however, was not the only scene where history made its move. Right here at Comp our spirits mounted as Comp's teams made headlines. Even though Comprehensive's football team wasn't a member of the Valley League conference, they triumphed over every team in the league, including Chicopee High, our new found rival.

With an exchange rally, a football queen, and a Veteran's Day parade a new tradition evolved—The Chicopee-Chicopee Comp annual football game. Each year from this day forth, the two schools would meet at Szot Park and vie for the Old Ame's Sword. Whoever won this sword for three years in succession received permanent custody of the trophy. With a 13-6 victory, the sword gained a prominent place in Comp's trophy case. Victory was a common word with other sports as well. School spirits reached a peak when our basketball team, winning the Valley League and the Western Mass titles went to Boson to compete in state competition. Busses were chartered to transport hundreds of Comp rooters to the Mass capital to cheer us on to victory. Although our team failed to capture the state championship, it did bring much honor to Chicopee Comprehensive High School.

At our homes, our parents were turning off the sounds of the Beatles and the Rolling Stones, and complaining about our appearance as hair went long and skirts went short. Things were getting pretty good now. The corridors seemed to be shrinking (especially during fourth period's lunch rush), and our books were disappearing. The reason was that the year was drawing to a close. We weren't "punky" little freshmen anymore; we were would-be sophomores. With that pleasant thought we turned to summer vacation.

AT CHICOPEE COMPREHENSIVE
Sophomore Year (1965–1966)

Here we were, back at Comp, hoping that our second year would measure up to our first. As we gazed pitifully at the frosh, it felt good to know that we were bigger than somebody. That was **the** year. Not everyone remembers English II or what they did in plane geometry; but I'm sure that they all can remember the numerous incidents which occurred in biology class; the girls screaming, the boys fainting. For those of us who had the tendency to become overly emotional, if we had any gripes we could always wait until class and take it out on the frog, fish, or whatever else the unfortunate creature happened to be.

With memories of last year's glories, our football team joined the Valley League Conference and although we did not succeed in defeating Chicopee High, our team did manage to maintain an outstanding record. Outstanding records were reached in other sports as well; the Comp Mermen swam home to a final score of 8 wins and 1 loss; and the Comprehensive baseball team captured the Valley League Championship.

After school, most ears tuned into the radio and occasionally a pair of eyes glanced towards a newspaper. Either way, it was inevitable that our attention would be directed towards world affairs. On November 9th, we sat in silence and darkness when a huge power failure crippled the New England seaboard. Civil Defense was brought into service and everyone shuddered as they imagined all sorts of evils. The lights came back on but the world situation worsened. For the first time in all history, the Pope, in an effort to preserve peace, left the seclusion of the Vatican and came to the United States. Pope Paul VI celebrated a mass at Yankee Stadium and made an appearance before a general assembly of the United Nations, making a final plea for peace. Death took the lives of Dr. Albert Schwitzer and Indian Prime Minister Shastri. The new Indian Prime Minister was Indira Gandhi, daughter of former Prime Minister Nehru. Her appointment to such an important office left many wondering what effect a woman's touch would have upon the world situation. Little happened and life went on.

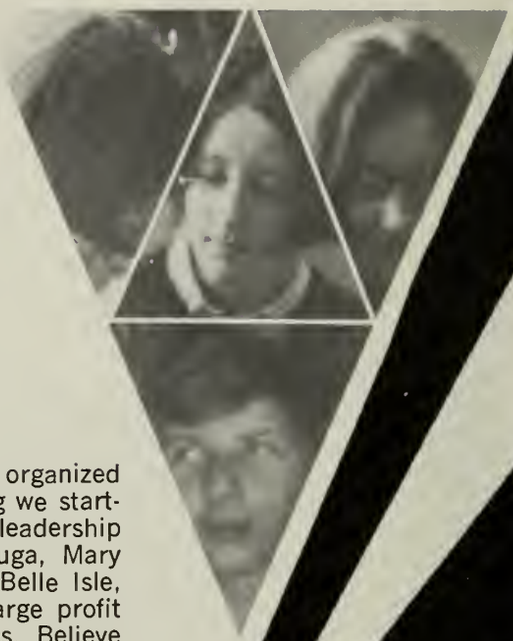

Meanwhile, things were happening in the world of entertainment. Television, in living color, introduced Batman and Robin, that daredevil duo who entered our livingrooms with a BAM! BANG! and a POW! Together they battled against such arch enemies as the Riddler and the Joker. Ed Sullivan presented a few dynamic groups himself, including the Byrds, and Herman and the Hermits. Mod clothes were in and the latest were from Carnaby Street; checks went with plaids and stripes were commonly coupled with polka dots.

Looking forward to class rings, proms and other activities, the common cry amongst us sophomores was "CAN'T WAIT UNTIL NEXT YEAR!!"

Junior Year (1966–1967)

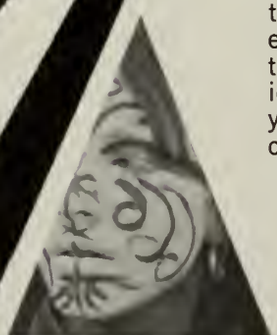

When we returned to Comp, things were out—WAY OUT. We entered our junior year in a psychedelic whirl. LSD had been discovered as a mind-releasing drug and its affect was noticed in art and music and dress. The latest rage in art was Pop Art, which consisted of abstract images and magnification of simple objects such as a giant coke bottle or an enormous label from an old can of soup. The mode of dress and a new style of music attempted to simulate an LSD trip; dress, if it can be called that, was merely body paint and music consisted of a conglomeration of sound—the purpose of which was to "turn you on". Some of us turned on—most of us turned off.

1966 was our first year as an organized class and right from the beginning we started selling things. Through the leadership of our class officers, Henry Papuga, Mary Ares, Marlene Dupuis and Linda Belle Isle, our junior class accumulated a large profit on the candy and magazine sales. Believe it or not, we even made a $300 profit on our prom.

Time flew by. It was March already and through the halls could be heard the echo of metal hitting upon hard surfaces. Yep, that's right—we finally received our class rings and everybody was hearing about it.

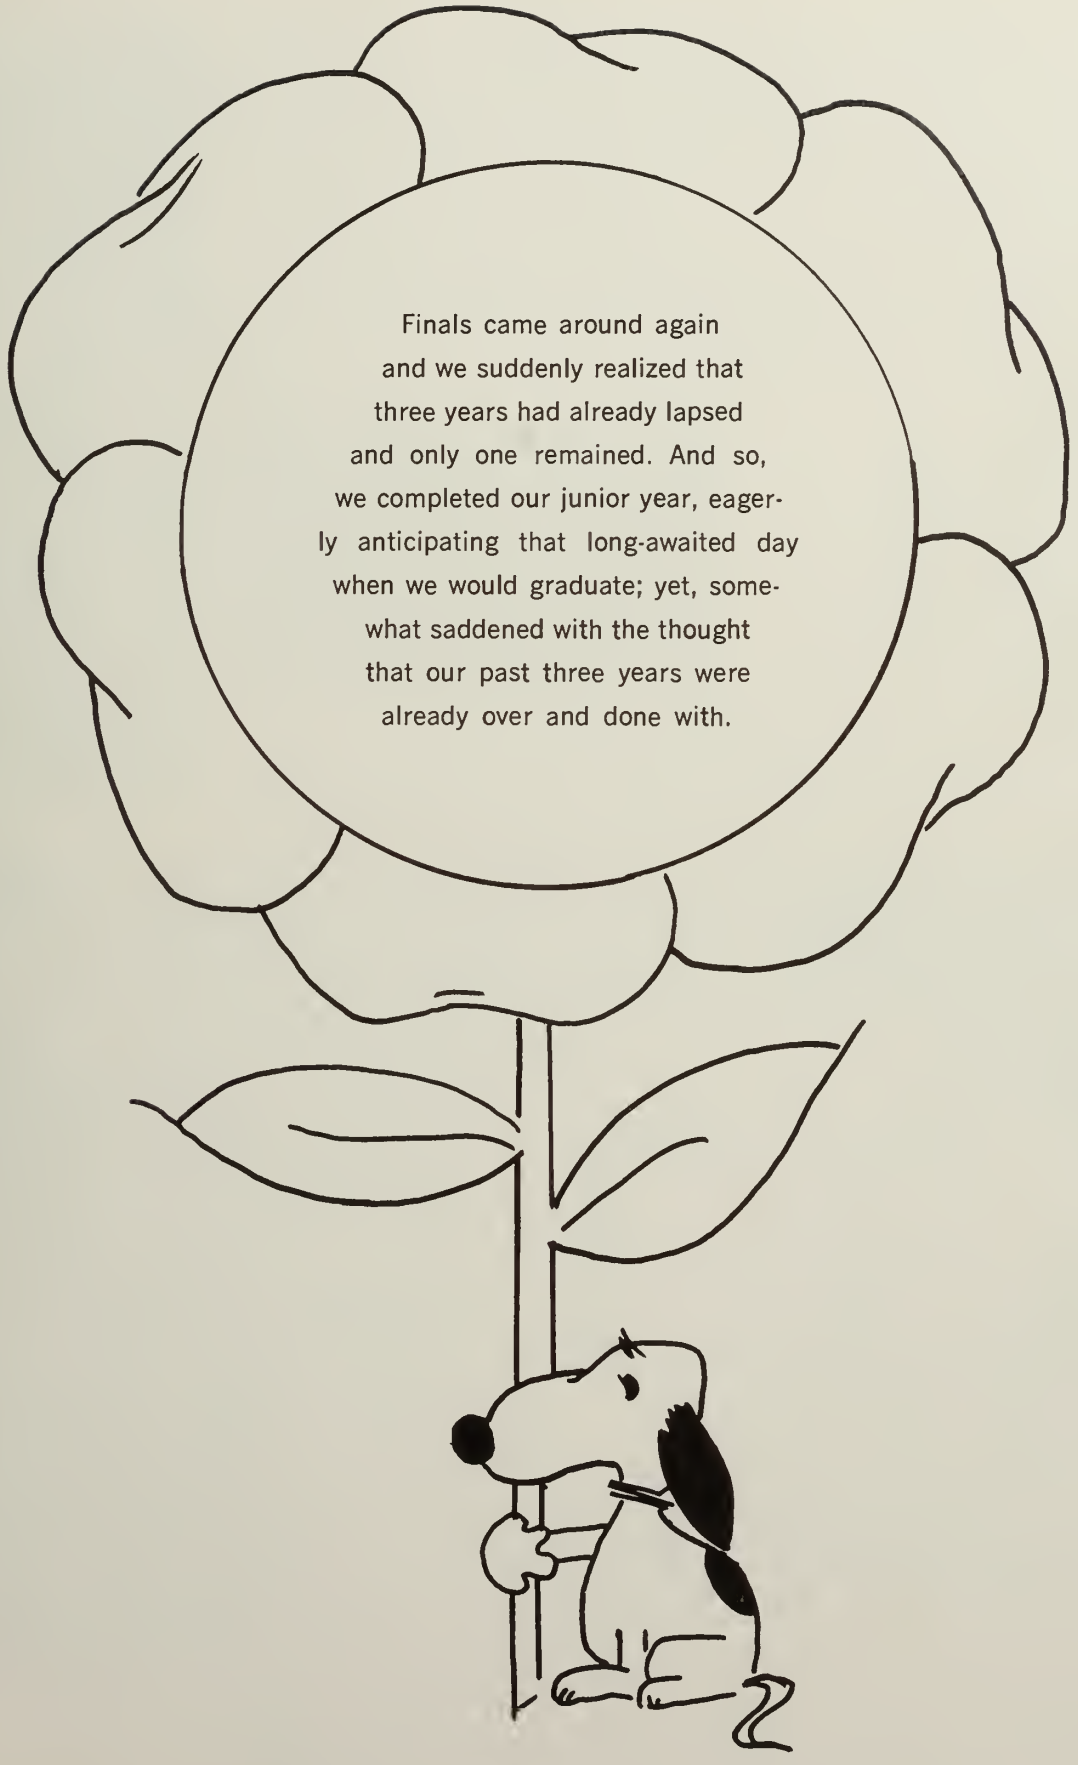

In the area of school sports, the Colts were really hitting hard on the field but evidently not hard enough. The junior and senior girls decided to show the boys how. Sometime in November, we all gathered for the first of what we hoped to be the traditional Powder Puff football game. The game ended in a 6-6 tie, but we juniors really were the better team. We again proved our athletic superiority on field day when for the third year in a row, we defeated the three other classes (including the seniors).

On the international scene, news was still pretty bad. The Vietnam war was raging on. The world was filled with hunger and petty wars. President DeGaulle was full of surprises when, after turning his back on NATO, he ordered all U.S. troops out of France. Closer to home, the Boston Strangler, of seven years fame, was captured.

Fashion was having its fling. The trend toward feminine-looking males and masculine-looking females took a step forward when Dior, and other fashion coordinators introduced ruffles for the guys and pants suits for the girls. A new beat in music, brought about through protest songs, stepped into the limelight. Leading this so-called folk-rock revolution was Bob Dylan. The national hero was Charlie Brown with his dog Snoopy. Peanuts posters sprung up everywhere with cheers of "Good grief, Charlie Brown!" and "Down with the Red Baron!" He even had his own television special.

Finals came around again
and we suddenly realized that
three years had already lapsed
and only one remained. And so,
we completed our junior year, eager-
ly anticipating that long-awaited day
when we would graduate; yet, some-
what saddened with the thought
that our past three years were
already over and done with.

Senior Year (1967–1968)

The sixth of September marked the beginning of our last ten months at Chicopee Comprehensive High School. When we entered our freshman year, Comp was good; when we entered our senior year, Comp was great. Aside from our freshman year, never had Comp experienced so much success. Our football team achieved victory after victory and quickly rose to the top of the Valley League Conference second only to Cathedral. In rally after rally, cheers came from not only seniors but from juniors, sophomores, and freshmen as well. Everywhere a cry echoed "We're number one" and we were. We initiated our own cheers and cheered without the aid of cheerleaders. We even instigated our own bonfire rally. Students were buying bumper stickers and booster badges, and proudly proclaiming that they go to Comp. Our basketball team came close to winning the Valley title and our baseball and hockey teams did equally as well.

In early fall, the state of Massachusetts went wild. The Boston Red Sox won the American League pennant and the opportunity to compete with the St. Louis Cardinals in the World Series. At Comp, students and teachers alike were walking on air as they sang the praises of Jim Lonborg and Carl Yastrzemski. Never in 20 years had the Red Sox even come close to winning the pennant; but now, hopes were high and the response they received from fans was overwhelming.

The Red Sox weren't the only news hitting the front page. The Vietnam War stirred up a bit of controversy and the United States was plagued by a series of protest demonstrations, sit-ins, and draft card burners. The biggest peace move was the hippie movement, drop-outs from society searching for escape through the use of mind-releasing drugs. The Vietnam war also served as one of the crucial issues in the up-and-coming elections. On the Democratic ticket, President Johnson's greatest opponent was Senator McCarthy whose major complaint about the present administration is its handling of the Vietnam war. The Republican nominees included Rockefeller, Nixon, possibly Reagan, and George Wallace.

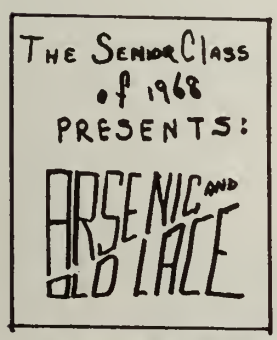

WE'RE #1

In December the Junior and Senior Cotillion got under way, under the leadership of the two senior co-chairmen, Bill Riberty and Cynthia Pudlo. The theme was Silver Bells and the colors were blue and silver. On February 9th, 10th and 11th, approximately 20 senior girls embarked upon a weekend ski trip to Petersborough, New Hampshire. The weekend was filled with thrills and spills, a sprained shoulder and a sprained ankle. March was the month for the senior class play "Arsenic and Old Lace". Playing the leads were Diane Fletcher and Barbara Delisle. Also included in the cast were Roy Moore, Russ Nubile, Michael St Onge, Thomas Gilmartin, Michael Jones, Michael Kozik and Charles Davis. The play related the tale of two kindly old ladies who, out of kindness, wish to put depressed people out of their misery with a bit of elderberry wine and a drop of arsenic. The performances given by the players were outstanding as the action of the audience clearly indicated.

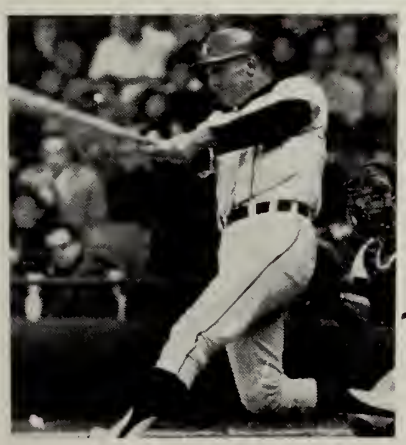

This year, for the first time in Comp's history, mid-year exams were not made mandatory and we as seniors were not required to take finals. Graduation came on June 14th following the senior banquet, the senior picnic and the senior prom. The events of senior week summed up a most memorable

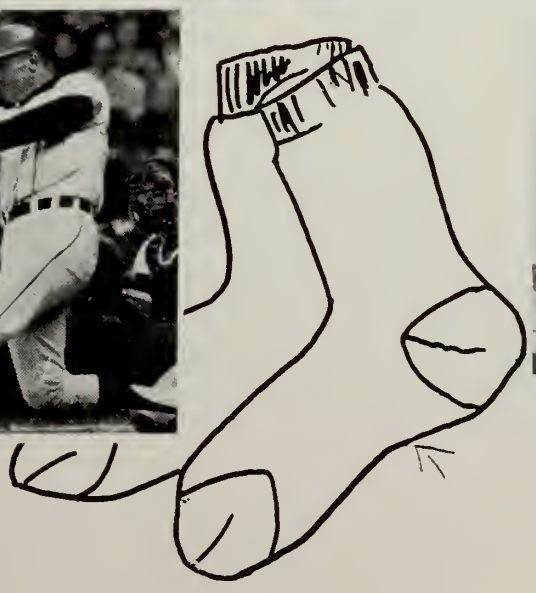

four years at Comprehensive, and as we sat waiting to receive our diplomas, memories came to mind of our four years here—four years experienced but once, yet relived in each passing thought.
